📍 Talao road rekha plot,near Shakti temple
khamgaon Dist : Buldhana(444303)

OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately.

EDUCATION

Pursuing (2019-2022)

- **Shri sant gajanan Maharaj college of engineering shegaon**
B.E
SGPA:8.98

2019

- **Government polytechnic khamgaon**
Diploma
85.75

2016

- **A.k national high School &jr.college khamgaon.**
SSC
91.20

SKILLS

- • C language • HTML • Python

PROJECTS

- **Automatic rain sensing wiper system using microcontroller**

The aim of the project is to be implement simply circuit and control the wiper.The proposed system is that rain sensor senses the rain drop and gave the controlling signal to the microcontroller, it process and generated the signal which are provided to the stepper motor on stepper put a wiper .when there is rain /water drop then stepper motor will start automatically detecting rainfall and wiper is moving ,otherwise not

CERTIFICATION

- •Nodemcu using Arduino IDE
- Attended workshop of antenna for present & futuristic wireless communication technologies
- 6 technologies

STRENGTH

- •Taking initiative
- Multitasking
- Teamwork

HOBIES

- .• Drawing
- Cooking
- Bicycling
